

articulation station

For iPhone & iPad

Articulation Station is a comprehensive articulation program offering practice at the word, phrase, sentence and story levels in 22 sounds in the English language.

Using Articulation Station makes practicing fun, provides pictures to build word recognition, and allows your child to record themselves and hear how they sound! It's a great supplement to daily home practice.

22 Sounds Available

Articulation Station is a **FREE** download which includes the P sound. Prices are based on the amount of content within each sound.

p FREE	b \$3.99	m \$3.99	h \$1.99	w \$1.99	y \$1.99
